

Dear Parent,

We are happy to announce that we are now on Facebook! A page has been set up specifically for our preschool families so you can log on and see what we are doing throughout the week. We plan on posting updates on upcoming events, reminders, and important information that pertains to your child's enrollment. Social Media is a popular, ever growing, and easy way to keep up with friends and family and now your child's school week! Although we are very excited about this new forum we understand that not everyone uses it or finds it beneficial. Below is a consent form for you to fill out. We plan on posting pictures weekly of the children participating in different activities while here at the school, but only with your permission. We understand that you may have personal preferences for you and your child's privacy, and we respect that. Please fill out this form completely so we may have an accurate record of your wishes. We look forward to having more communication with you and hope you find this useful!

In His Love,

Stephanie Barb
